THE GREATER TOLEDO TRAIN & TOY SHOW

The *HUGE* collectable train & toy show returns to
Owens Community College (Student Health & Activities Center)
30335 Oregon Road, Perrysburg, OH 43551
Public Show: 11am - 3pm Sunday, March 8th, 2020

TOOT! TOOT! ALL ABOARD! The Fun Express is about to depart to the **GREATER TOLEDO TRAIN & TOY SHOW!** Grown-ups and kids alike are sure to have a *“family fun day for all”* at the **Student Health & Activities Center at Owens Community College on Sunday, March 8th, 2020.**

This first-class show features over 250 dealers bringing toy and model trains of all gauges and manufacturers as well as toys from all eras: plastic, tin, die-cast, pop culture and so much more! Free appraisals and repair advice on site will be offered as well as original parts for sale! There's a wide selection of distinctive toys and trains at this show just waiting to be added to your own collection! Parents and grandparents will surely relive memories from long ago when they see many wonderful toys and operating displays from their own childhood. Bring along the kids and an extra special time awaits you showing the youngsters old-time toys in operation they would otherwise never see today.

Many famous layouts and exhibits will be operating all day long, including:

Two must-see-to-believe operating Lego layouts presented by the Michigan Lego Users Group and the Swanton Model Railroad Club. Both featuring an operating Lego City with trains made entirely out of Lego bricks. All sorts of Legos and mini figs will be available from a variety of sellers.

The Toledo tradition lives on with Toledo Toymaster's wonderful Tiedtke's Department Store American Flyer antique operating post war “S” gauge train display! This layout plus a 1950's Lionel O-Gauge Store Display will be operating on a life-sized “Train Truck” presented by Toledo Toymasters.

An entire wall of vintage rare, and operating A.C. Gilbert Erector Set display area featuring toys from the 1920's presented by members of the AC Gilbert Heritage Society. Also, come see the “Erector Set” old time restored Ford Model A Truck; complete with a calliope!

Fascinating operating layouts from area groups in all gauges of toy trains; including the impressive scenic HO layout by the Hobo Crew, layouts from the Battle Creek Model RR Club, Swanton Model RR Club and the Eastwood Jr. High School after school club. Robotics demonstrations from the award-winning robotics team from TPS's Toledo Technology Academy!

FREE rides for little ones (age 4 & younger) on “Thomas” Riding Trains in our kiddie area!

Romick Railways outdoor riding train (\$2 ticket required and weather permitting)...and much more!

This is a must see event you will not want to miss! Adult admission on March 8th starting at 11am is just \$6 each. “Early Birds” are admitted at 9am for \$10 each. **All children ages 12 & under are admitted to the show FREE** (with one paid adult admission). The show runs until 3pm.

So, no matter what your age, everyone can be a kid again and enjoy a special unique and fun experience. There's bound to be a *“FAMILY FUN DAY FOR ALL”* under one roof at this **easy to locate show right off I-75 (Wales Rd. exit 198) with PLENTY of FREE parking!**
